*Wanted Design 2023 International  
Schools Show (including École Camondo,  
ENSAAMA, ENSCI)*

The American and French design scenes have a rich history of collaboration and ideas-sharing, sparking innovative explorations and initiatives on both sides of the Atlantic. Featuring work by dozens of exceptional French makers in galleries from Chelsea to Greenpoint and Long Island City to Industry City, *Oui Design!* illustrates this unique international relationship in real time.

*Oui Design!* is an initiative of Villa Albertine, a cultural institution that links France and the United States in a shared exploration of arts and ideas.
